BREEDING TERMS

- **Breeding method: LIVE COVER ONLY.** No artificial insemination (AI) is offered under this contract.
- Mare must be halter broke and manageable.
- A current negative Coggins test (within 12 months) is required **for out-of-state mares only.**
- Mare must be free from infectious disease, injury, or defect that may prevent conception or pose a risk to the stallion.
- Owner agrees to provide accurate breeding and health history if available.
- All transportation to and from Red Rock Homestead is the responsibility of the mare owner.

BREEDING GUARANTEE

- **Live Foal Guarantee:** A live foal is defined as a foal that stands and nurses unassisted within 24 hours.
- If the mare does not produce a live foal, a free rebreeding will be offered the following season provided:
 - The mare is confirmed not in foal or loses the foal; and
 - A veterinarian's certificate of the loss is provided; and
 - All fees, excluding the stud fee, are paid up to date.
- No refunds on stud fees. Rebreeding applies to the same mare unless otherwise agreed in writing.

RISK & LIABILITY

- Mare owner assumes all risks of injury, illness, or death to the mare or foal while on Red Rock Homestead property.

- Red Rock Homestead and its agents are not responsible for accidents, illness, escape, injury, or death.
- All reasonable care will be taken.

VETERINARY & EMERGENCY CARE

- Red Rock Homestead reserves the right to secure veterinary care if deemed necessary.
- All veterinary expenses will be the responsibility of the mare owner.
